Youth looks to the future...

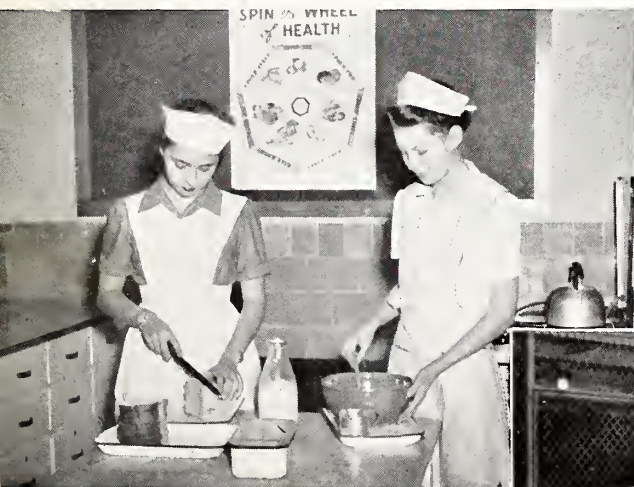

and prepares at Howe High School

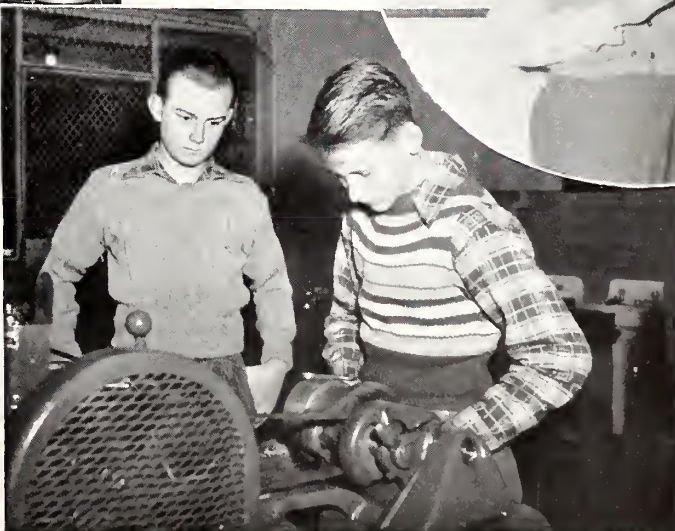

*T*HE HILLTOPPER of 1944 tells of the progress of Howe students in preparing for the world of tomorrow. Courses, including those giving vocational training, are pursued in a beautiful high school . . . the newest in Indianapolis, Indiana.

THOMAS CARR HOWE HIGH SCHOOL

Below—Ida Ann Eckstein and Mary Pitts prepare food in home economics.

Right—Denzil Shawver looks on while Jim Coleman works at a lathe in metal shop.

Above—Jack Fehrenbach studies the mechanics of an airplane in aeronautics.

PHYSICAL fitness, vocational skills, and plain old "book learning" are included in the Howe curriculum.

Donald Mannan gives a report to his classmates in Latin American history. In this class, Howeites get a better understanding of our neighbors to the south.

Howe F equals sine A. Melvin Kettelhut and Anne Pope discuss a trigonometry problem.

Tarzan has nothing on them! Eugene Poole, Jerry Heater, and Conrad Romeril zip up those ropes in no time flat (almost).

Mary Bardwell, Charlene Allen, and Donna Passen model useful ornaments in clay.

NaCl and H_2SO_4 are familiar terms to chemists Richard Newcomer and Louise Scherer.

New studies of importance

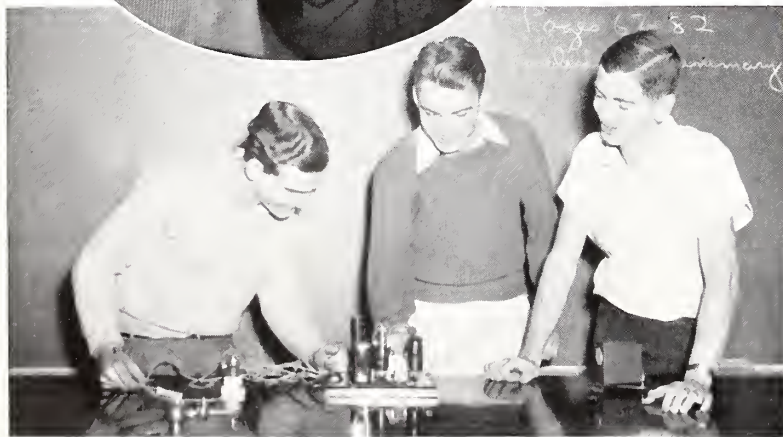

Circle—Robert Justus works at his drawing board.

NEW this year are the classes in airplane drafting, pre-induction training, and filing. War work, both military and civilian, has great need for airplane draftsmen. In pre-induction training senior boys learn the fundamental laws of physics, thus preparing themselves for future military service.

The world citizenship unit in the English VI course aims to develop an understanding and appreciation of the nations: their needs, contributions, and responsibilities toward successful world citizenship.

Opposite page—Donna Flowers, Max Fullen, Violet Matthews, and Eugene O'Hern listen to Kent Crawford give a world citizenship report.

Above—James Barnes, Howard Caldwell, and Jack Huston experiment with electrical apparatus.

Right—Roberta Soncrant, Elaine Mears, and Ruth Ann Robison demonstrate their filing ability.

Talent on review

*M*A and Pa Jones, who are familiarly known as Oscar Mutz and Hazel Shirley, starred in the "All-American Joneses," an operetta produced by the music department last fall . . . Doctors Don Rasico, Dick Newcomer, Lewis Brewer, and Albert Arnholter treat Pa Jones roughly while giving him his physical examination for the army . . . Billie Krammes, who played the part of Mrs. Hunter in the Footlight Revelers' play, "Letters to Lucerne," seems to be amused at the antics of the doctors. . . . The WACs and WAVES visited the "All-American Joneses" as a dance team. Left to right are: Patty Sloo, Louise Miller, Josephine Justice, Marjorie Garrett, and Billie Ettinger. . . . Rehearsing for "Letters to Lucerne" are Marion Mutz, Howard Caldwell, and Mary Jane Hill.

High lights in activities

*L*AST spring Mary Frances Patterson and Don Auble received the Good Citizenship award which is presented annually to the outstanding junior boy and girl by American Legion Post 38 . . . A candidate for office in the State of Howe receives a great ovation from delegates to the Nationalist convention preceding the mock election last fall . . . All registered voters cast a secret ballot for state officers on a voting machine. . . Football was officially dedicated at Howe on September 25, after a parade along Washington Street. It marked another Howe "first." . . John Elliott, Nationalist, talks to his political opponent, Bob Bowles, Federalist, whom he defeated in the race for Governor of the State of Howe.

"Fairest of all flowers"

"HAIL TO THE QUEEN OF THE VIOLETS" greets Joan Eschmeyer as she ascends Violet Hill to meet the Philosopher of the Tower. The Violet Queen, Spirit of Youthful Achievement, comes with her court to the Howe campus each spring to see and hear of the many accomplishments which Howeites have attained during the preceding year. The Queen's attendants are pictured on the opposite page.

Activities . . .

*C*LUBS and activities are fun and through them students acquire pleasantly the lessons which will make them better citizens in the World of Tomorrow. In the picture at the right are Gene Smith and Jane Messing portraying the friendship which binds North America to South America.

Pfft! From Howeites to Romans

*I*N celebrating the ancient festival of Saturn, the Saturnalia, members of the Latin Club really "went Roman." Draped in improvised togas, these students enjoyed a three-course meal composed of Roman food. Acting as Romans, however, is not a once-a-year occasion, for at every meeting students representing Roman officials preside. A consul acts as president while the secretary is known as a scriptor. An annual event which is eagerly awaited by all Latin students is the contest sponsored by the Latin Club. Miss Thelma Cooley and Miss Narcie Pollitt are sponsors.

Christmas -- down Mexico way

*T*HE Spanish Club celebrates Christmas by observing in modified form the old Mexican customs of posada and pinata. The Spaniards, carrying little figurines of the characters in the Christmas story, sang and knocked at many doors. When finally they were welcomed into a home, the joyous celebration began. A child was given a stick with which he tried to break the earthenware jar or pinata, filled with favors and sweets. When he succeeded, treats were scattered to the guests. Through studying these rites, and through singing Spanish songs, playing Spanish games, and seeing Spanish movies, the members become acquainted with the customs and habits of Spanish-speaking people. Miss Mary Elizabeth Thumma is sponsor.

Fun with fiction

"*W*HAT does the library offer the teen-age girl?" was the question under discussion at a recent Library Club meeting. Many magazines, it was found, have sections of special interest to teen-agers on such problems as clothes, make-up, and dating. In addition, the Library Club devotes much time to book reviews. Mrs. Betty Baker is sponsor.

All-out for victory

*J*UNIOR Red Cross activities for this year are directed toward helping our soldiers. Members have made one hundred pairs of bedroom slippers, twenty warm bedjackets for men, one hundred utility bags, and three afghans. Boys spend much time in making ping pong paddles for servicemen. Miss Helen Allen is sponsor.

Curtain going up!

AT that signal, members of the Footlight Revelers' Club are ready to face the footlights. These aspiring young actresses and actors did a superb job in their latest production, "Letters to Lucerne." For this, the big project of the season, two complete casts were chosen, one for the matinee and one for the evening performance. Both groups are listed below:

Calling all Servicemen . . .

*N*ews of Howe activities is carried to the boys in service through the efforts of the Hi-Y Club members who mail **HOWE TOWERS** to servicemen. An important social event of the Hi-Y Club is the Heart Hop, sponsored by this club, for which members choose five girls as candidates for "Sweetheart." Candidates chosen were Marjorie Garrett, Virginia Reese, Carol Simmons, Mary Lois Stitt, and Patricia Sullivan. Marjorie Garrett was elected Hi-Y Sweetheart. Each spring, as the May Pageant approaches, these boys select a Philosopher who represents the Spirit of the Tower. Throughout the year, Hi-Y boys attend local and state conferences. Mr. Virgil Heniser is sponsor.

"Big sisters" greet newcomers

*E*XTENDING a welcome to girls who transfer to Howe from other schools is a new project undertaken this year by the junior girls' organization, the Vihota Club. Another way in which they carry out the purpose of this club—to perform services to the school whenever possible—is to check lunch passes during every lunch period. Each spring, this club selects five junior girls as candidates for Violet Queen. The girl elected by the student body reigns at the annual May Pageant. Work is combined with pleasure in selling popcorn (rationing permitting) at basketball games. Mrs. Mildred Loew is sponsor.

The "Cubby Hole" column in the HOWE TOWER is a product of the members.

Through the efforts of the nine students who comprise the News Bureau, accounts of Howe's plays, dances, athletic events, and other activities are published in the city papers. Howe's representatives to the following papers are: *The Indianapolis News*, Dick Guthrie; *The Indianapolis Times*, Bob Bowles, Jean Carpenter; *The Indianapolis Star*, Don Auble, Howard Caldwell, Mary Frances Patterson; *The Irvington Review*, Melvin Skinner, Martha Scott; *The Indianapolis Herald*, Erma Stevens.

PICTURES, proportion wheels, dummies, and rubber cement have been the constant companions of the HILLTOPPER staff members. Early last spring, staff members of the HILLTOPPER were selected. Then the staff assisted at the Autograph Party, gave the HILLTOPPER dance, and drew up a dummy. When the summer vacation was over, the work really began. The fall subscription campaign was started by Jack Rennoe, business manager, and his assistant Roland Swingley. Under the direction of Virginia Reese, editor-in-chief, and Mary Frances Patterson, associate editor, the staff gave an assembly program, the Brown and Gold Dance, and sponsored the Brown Boy and Golden Girl contest. Margaret Rennoe, supervising the taking of homeroom pictures, began the seasonal rush of yearbook pictures. Lucille Broeking and Carolyn Sullivan were in charge of club and activities pictures. Because of a successful athletic season, Bob Bowles, sports editor, found the cutting of copy his biggest problem. The senior pictures, taken under Martha Scott's supervision, were ready to be mounted. The make-up editors, Jean Carpenter and Suzanne Fisher, with their assistants, Barbara Williams and Shirley Cloud, worked diligently to meet the deadlines. When the masterpiece was finally sent to the engraver and to the printer, the whole staff began waiting eagerly for the time when the first of the 1200 copies could be presented. Miss Betty L. Williams is sponsor of Howe publications. Valuable assistance in copy reading has been given the staff by Miss Florence Guild and Miss Ruth Zitzlaff.

On wings of song

Pa Jones was played by Oscar Mutz; Ma Jones, Hazel Shirley; Johnny, Ted Aichele; Sue, Harriet Wells, and Mrs. Brown, the neighborhood gossip, Erma Stevens. Each of the sixty-five members of the choir took part in the operetta which was given November 4 and 5. The choir sang at many assembly programs, the American Legion presentation, and commencement. The octettes have sung on the radio and at 400 Club meetings.

*S*PORTS play an important part in building a strong, healthy body and in developing the ability to think rapidly and quickly while in action. Today the armed forces need men with superior physical and mental traits to win the peace. Tomorrow the world will need men with these same qualities to keep the peace and to plan for the future.

Another first

Top row—Coach Thomas Stirling, Ed Ikerd, Bill Nevill, Bob Bakemeier, Dick Baker and Athletic Director Samuel T. Kelley.

Fourth row—Bob Kash, Jack Simmons, Don Hinkle, Roland Harriman, Jack O'Neil, Andy King, and Philip Gibbs.

First row—Dick Maurice, Paul Jasper, Albert Arnholter, Keene Goodwin, Jim Jacobs, Bob Stanfill, Bob Baker, and Dick Guthrie.

Howe added another first to its long list of achievements when, on September 8, Athletic Director Samuel T. Kelley issued uniforms to approximately seventy boys who had reported for Howe's first football practice. Training began almost immediately, and the boys were put through two weeks of fundamental drilling before they were divided into four intramural squads under the direction of Mr. Wade Fuller, Mr. Fred Lemley, Mr. Wathen Leasor, and Mr. Ray Bowman. Mr. Kelley's chief assistant was Mr. Thomas Stirling, who served as head line coach. Coach Lewis Gilfoxy also assisted as did the coaches of the four intramural squads.

The intramural teams immediately named themselves Leasor's Greasers, Lemley's Rapid Calculators, Bowman's Bruisers, and Fuller's Brushmen. Intramural games were played every Tuesday and Friday. Fuller's Brushmen topped the standings at the end of intramural play with four victories and no defeats. Leasor's Greasers and Lemley's Rapid Calculators both had two victories and two defeats, while Bowman's Bruisers were without a victory in four starts. A varsity squad was then chosen from the four intramural squads and began drilling for the two scheduled games with Warren Central and the Silent Hoosiers.

Warren Central's aerial attack was too much for Howe's inexperienced Hornets, and they dropped their first football tilt 18-0. The Warriors were held scoreless during the first and third quarters, but they clicked for three touchdowns via the air during the second period. In the fourth, Howe staged some passes of its own, but a 35-yard run by Larrison fell two yards short of the goal.

The team's second football game proved a little more successful, and they dropped the Silent Hoosiers 25-19 on a rain-soaked field. The Silent Hoosiers opened the scoring with a 40-yard touchdown run through the mud, but Lewis Larrison, Howe's left halfback, came through with the first of his three touchdowns to even the count. Dave Wyand, Howe fullback, made the conversion and Larrison scored again a minute later on a 35-yard run around end. Larrison's third touchdown came on a 25-yard pass from Wyand. A 56-yard march by the Silent Hoosiers was good for a touchdown after which Tony George, Howe quarterback, ran the ball across the goal for the last score of the game.

Cagers set new records

It was a great year for basketball at Howe and the Hornet cagers ended the season as Indianapolis Sectional Kings and unofficial City Champions. Coach Lewis Gilfoy's varsity basketball team also broke all existing records for a Howe team, setting new records in both individual and team scoring, and in games won and lost.

The Hornets finished their regularly scheduled season with a record of 15 wins and 3 losses which exactly duplicated last year's performance. However, this year's varsity squad really brought home the bacon when they crashed through with 4 straight wins in the Sectionals to capture the first tournament crown in the history of Howe.

The varsity men also gained undisputed possession of the unofficial city basketball championship by thumping Manual 48 to 25 in their last game against a city team. This gave the team a record of 7 wins and 1 loss against city teams. Shortridge placed second in the city standings with 5 victories in 7 starts and Manual dropped to third after our triumph with a record of 7 wins and 3 losses. The team ended its record season with 19 wins in 23 starts, thus eclipsing last year's record of 18 victories in 22 starts.

In compiling this fine record the netmen scored 902 points to their opponents' 672 which is an average margin victory of 10 points per game. This total was also a new Howe record as was the average of 39 points per game for the 23 games.

John Elliott finished the regular season with a total of 166 points, and he went on to tally a record-breaking 62 points in the four games of Sectional play to set a new individual scoring mark of 228 points in 22 games. The previous mark was 198 set by Jack Buchanan last year in the same number of games. Long John also added 17 points to his total in the Regional game with Anderson to boost his total points to 245 for the season. Bob Banks broke the old scoring record for most points in one game when he erased the 21 point total set by Bob Houck last year. Banks swished a total of 24 markers through the net in the Greenfield game, and finished the season with a total of 153 points. Other members of the team also did a great job of scoring. Bob Cole scored 168 points during the year and Arnold Koehler and Bill Watson cracked the century mark with 117 and 116 points, respectively.

Sectional Champions

COACH Lewis Gilfoy's varsity cagers really lived up to advance predictions when they captured the first Sectional crown for Howe. In downing Manual, Crispus Attucks, Cathedral, and Shortridge, the fighting Hornets scored a total of 185 points for an average of 46 points per game and limited their opponents to about 34 points per game.

In the first game of the Sectional the varsity men swamped Manual for the third straight time of the year 42 to 28. The Hornets jumped into an early 9 to 0 lead and were never behind in the game. Arnold Koehler took high point honors in the contest with 16 points and Bob Cole totaled 10 points. Long John Elliott flashed the form which gave him high point honors for the Sectional and led the Hornets to a 45 to 27 victory over a hard-fighting Crispus Attucks quintet. Elliott controlled both backboards during the tilt and dropped 20 points through the draperies to take top scoring honors. Cole again played a great game and garnered a total of 14 markers. A rough playing Cathedral team gave the boys a tough battle for three quarters, but the Hornets exploded during the last quarter and went on to win 45 to 34. The Irish gained an early 5 to 0 lead and the count was knotted at 16 all at the half. The third quarter was also played on even terms and the Hornets went into the last quarter with a 29 to 26 lead. With three minutes to go, however, the team got hot and pulled away. Long John again led the scoring with 16 points and Cole took runner-up honors with 12.

The team really hit its stride against Shortridge in the final game of the Sectional tournament and the Hornets beat the highly-rated Blue Devils 53 to 48. The score was tied five times during this torrid contest and the lead changed hands a total of seven times. Howe got off to an early lead and was ahead 13 to 6 at the quarter post. However, Shortridge came back strong in the second quarter and when the half-time gun sounded, Howe was holding a slim 23 to 22 lead. In the third quarter Shortridge took over the lead with two quick baskets but great ball-hawking by Bill Watson of Howe helped put the team back in front. Watson stole the ball and passed to Cole for 2 points and then scored on two quick buckets himself after again stealing the ball. The fourth quarter began with Howe leading 40 to 35. Elliott who had been playing a great game through the whole contest dropped in three pivots and a tip-in to boost the Hornet's lead to 48 to 37. Shortridge staged a game rush to overtake the leaders but the margin was too great. John Elliott and Bill Kegley, rival centers, tied for individual scoring honors with 21 points apiece. For the fourth straight time Cole finished second best with 13 markers.

Cheerleaders Louise Miller, Joan Bruckman, and Beverly Hull helped inspire the Hornets to victory in the Sectional Tourney. Because of space limitations we were unable to include their picture.

Hornets lose to Anderson

DISPLAYING the championship form which had earned for them the rating as the number one team in the state, the Anderson Indians blasted the hopes of Howe backers when they rolled over the Hornet netmen 46 to 33.

The game was a close battle for three quarters, although Howe was behind during most of the contest. The Hornets led 8 to 7 at the end of the first quarter but Anderson came back in the second stanza to go ahead 11 to 8. Howe then put on a spurt of its own and went into the lead 13 to 11 but the Indians came right back with three straight buckets to assume command at the half, 17 to 13. During the third quarter the Hornets managed to hold their own and the fourth quarter started with Anderson still leading by 4 points, 26 to 22. However, the greater experience of the Indians began to tell and they gradually increased their lead during this last stanza to put the game on ice. John Elliott was high point man for the Hornets with 17 points but J. Anderson of the Indians led in total points with 20 markers.

Not so far behind

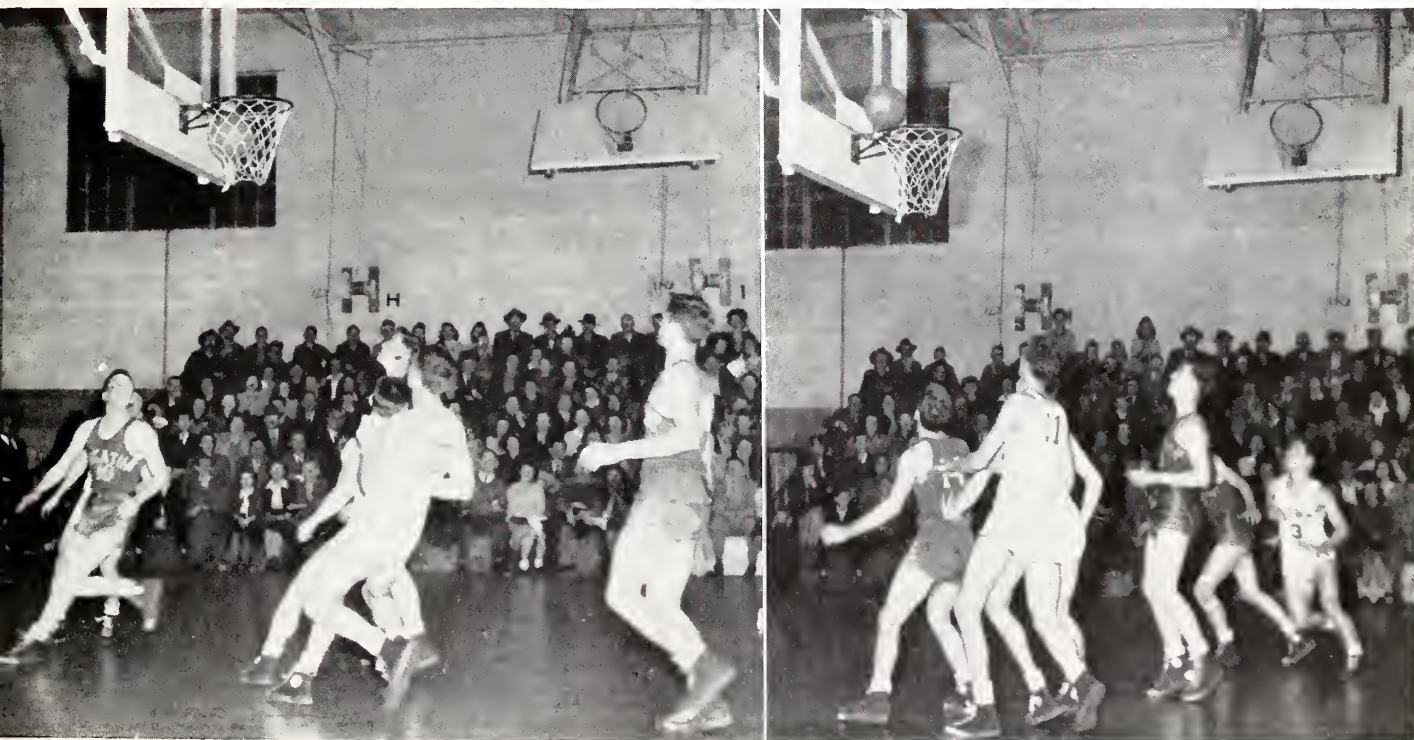

Completing their schedule with seven consecutive triumphs was the feature of a winning season by the Howe Reserve Basketball Team. When the final gun had marked the close of hostilities, next year's varsity cagers had racked up a fine record of 13 wins and 5 losses.

The reserves were a bit slow in getting started, winning six and losing five, before hitting their stride. As the season progressed and the boys continually improved, as shown by their record, Howe was promised fine varsity material for next season.

Coach Wathen Leasor's reserve netters were led by high scoring Carl Edwards and Harry Branson with 106 and 99 points, respectively, and the aggressive Bob Bennett, who garnered 78 points.

Coach Ray Bowman's freshman team came through with a fine season, winning 12 games while losing only four. The Hornets tied for the Freshman City Championship with Cathedral, whom they defeated twice during their campaign.

The yearlings were led by Hugh Moreillon who swished the nets for 121 points to come close to a new Howe record. Finishing right behind Hugh were Ray Evans with 74 points, and George Spradling with 38.

THE Hornet thinly-clads finished their 1943 season with a record of seven victories in eight starts in dual and triangular meets and they also captured runner-up honors in the City Meet, the Southport Relays, and the Sectionals. Howe failed to hold her city title which she won the year before and also failed to repeat her domination in the Sectionals. However, the team was somewhat weakened by the loss of Walter Gilchrist in the high jump and high hurdles and the loss of Bob Houck in the quarter mile and relays. Both boys, who were consistent scorers in their events, left just before the City Meet. Houck entered Purdue and Gilchrist joined the Navy.

Tech finished far ahead of the field in the City Meet with 61½ points to Howe's second place total of 41. However, Howe took more first places than any other school, scoring victories in four events. Ralph Toney won both the 100- and 220-yard dashes, Bob Banks took the half mile, and Paul Webb outjumped the rest of the field in the broad jump.

In the Sectionals, Howe again finished second, scoring 38 1/3 points to Washington's 39 1/3. However, Howe qualified more men for the State Meet than any other school entered. Toney again took first in the 100 and 220, setting a new record in the former with the time of :10.1. The old mark was :10.3 set in 1940 by William Howard of Washington. Others who qualified for the State were Bob Stitt in the 220, Bob Banks and Max Fullen in the half mile, Bill Watson in the low hurdles, and Paul Webb in the broad jump. Bob Banks accounted for Howe's only point in the State Meet by taking fifth in the half mile. Ralph Toney, a favorite in the sprints, pulled a muscle in the Sectionals and failed to compete.

Howe linksmen undefeated

*A*FTER copping four straight dual meets, the Hornet Golf Team carried away top honors in the Howe Invitational Tourney at the Pleasant Run course to finish the season undefeated.

The Brown and Gold Linksmen started their winning ways by thumping Cathedral 11-1, following up with a sizzling 10-8 victory over Tech and then once more besting Cathedral 20-4. Next the Blue Devils of Shortridge came out to see what they could do about stopping Coach Fred Lemley's golfers, only to lose 18½-5½. In the Howe Invitational, the team continued to show its superiority by trouncing their three rivals again. Howe's foursome took 315 strokes followed by Tech with 339. Arnold Koehler was high in points during the season, and also was medalist with a brilliant 71.

Cross Country Team — Bob Banks, Melvin Kettelhut, Harry Branson, Howard Caldwell, Russell Hayes, Bob Warden, and Coach Ray Bowman.

Golf team — Ronald Roach, Gordon Thomas, Bob Smith, Bob Rochford, Arnold Koehler, Bill Hanafee, Joe Wilson, Bob Stanfill, and Coach Fred C. Lemley.

Hornets runner-up in city invitational

Howe's cross country team wound up one of its most successful seasons by taking second place in the City Invitational Cross Country Meet held on the Howe course. Top honors in the meet went to Manual, with 40* points. Howe was 4 points off the pace with a team total of 44, and Tech, last year's winner, finished third with 55. Shortridge trailed the pack with 71.

Paul Stoyonovich of Manual copped individual honors in the meet when he crossed the tape in the automatic record time of 10:12.5 for the new two mile course. Following Stoyonovich to the finish line was Bob Banks of Howe, the pre-meet favorite by virtue of his season record and a previous win over Stoyonovich. Banks had taken five first place ribbons in season meets, while losing only to County Champion Bill Powers of Ben Davis. Russell Hayes finished third for Howe, and Howard Caldwell placed seventh to complete our scoring in the meet.

In regularly scheduled meets, the Hornet Harriers won from Washington, Warren Central, Ben Davis, and Shortridge and lost to Tech and Manual. Much of the credit for this fine season goes to our new coach, Mr. Ray Bowman.

The season record:

Howe, 15—Washington, 40
 Howe, 34—Warren Central, 37—Anderson, 49
 Howe, 22—Ben Davis, 33
 Howe, 33—Technical, 22
 Howe, 33—Manual, 22

With the new semester came tourneys. Volleyball and ping pong were scheduled as usual. Last season's intramural volleyball winner was a fourth hour class composed of Betty Alberty, Janice Bayne, Patty Holtsclaw, Roselyn Bittner, Clara Virt, Georgianna Brammer, Violette Swenson, Gloria Backer, and Marilyn Baker, captain. Ping-pong champ was Angelina Velich who bested Anna Wessel in the final game. This year a basketball tourney for upperclass girls was added. Class teams were organized and the winners played to pick the class champs. Then they battled the gym assistants for the school title.

In April, sixty girls gave a demonstration for the State Physical Education Meeting to display the program of physical conditioning in high schools. Other G. A. A. features in the spring were archery, commando trainings, baseball games, track, and rhythmic drills for the May Festival.

1. "Stars and Stripes Forever." Howe salutes the flag during the basketball game.

2. Two bits they want part-time excuses. Mrs. Loew helps maintain an efficient school.

3. "No, we're early; the eight-thirty bell just rang. Let's stay out here and hold this corner stone up for a while."

4. What happened to the man who ducked you, Don?

5. Mary Ann Kyle who helps keep supplies available to pupils was in much demand at sectional ticket time.

6. Peace and popcorn until the game begins; then it's cheering and—more cheering.

7. Up, up, up and over with Doug Smith. He was pretty happy when he made it, too.

8. Who says the streets were crowded? About half of Irvington followed the band, the football team, and Howeites in the mid-Washington Street parade to Howe's first football game.
